

ASSOCIATE OF ARTS DEGREE

Business Administration Concentration

An Associate Degree is equivalent to the first two years of a four-year university degree. Universities in British Columbia will guarantee 60 transfer credits to holders of an Associate Degree. Students must meet the grade point average (GPA) established by each university for admission. Upon completion, students qualify to apply for a post-graduate work permit in Canada.

Program Overview

- The Associate of Arts Degree in Business Administration provides students with a foundation in business knowledge. It also prepares students to pursue a Bachelor's degree in Business Administration or a related field.
- Students will gain an understanding of contemporary business principles and practices.
- Students will be able to explore various topics in Business that includes business & professional skills, marketing, economics, technology, calculus, finance, and operations.
- Since Business requirements vary among institutions, students must ensure that the courses taken are relevant to the institutions they intend to transfer to.

Skills Gained

- Strong written and verbal communication and etiquette in a formal business environment.
- Leadership qualities for team environments.
- Public speaking and presentation abilities.
- Awareness of globalization and cross-cultural issues.
