

How to Pay Tuition Fee Online

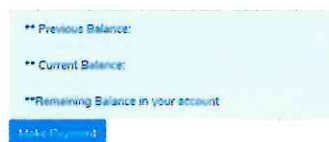

(Fast-track Online Tuition Payment)

If you want your money to be deposited in your college account directly you should follow the steps below:

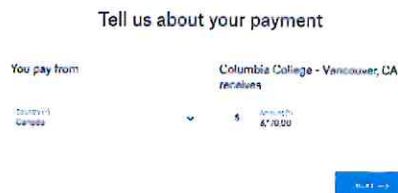

- 1) Log on to your student Portal: student.columbiacollege.bc.ca

- 2) Under "Admin" click "My Ledger"

- 3) Click on "Make Payment":
- 4) Click on Payment one more time and you will be directed to the **Flywire** website. Choose the country you are paying from and the amount of money you are paying:

- 5) You should log in to your Flywire account. **(Note: If you try to make multiple payments, please go back to Step1 and repeat the steps through student portal instead of using the flywire website).**
- 6) Choose the method of your payment.
- 7) Fill in your details.

Notes:

- 1) You can choose any semester for your payment. It doesn't need to say "Fall 2019" for the money to be deposited.
- 2) You can choose "University Transfer Program" if you can't find "Associate Degree" among the options.

Make your payment and YOU ARE DONE

If you have any question regarding Flywire you can contact ssa@columbiacollege.ca or come to student services and talk to Student Services Assistants.
