

Columbia College Courses that Satisfy Requirements for Thompson Rivers University BSc Software Engineering Program

<u>CC Course</u>	<u>TRU Course Equivalent</u>
Engl 100 or 101	ENGL 1100 (1 st sem)
Apsc 151	DRAF 1520 (1 st sem)
Apsc 160	SENG 1110 (1 st sem)
Math 113	MATH 1130 (1 st sem)
Phys 110	EPHY 1150 (1 st sem)
Math 114	MATH 1230 (2 nd sem)
Math 120	MATH 1700 (2 nd sem)
Phys 130	EPHY 1250 (2 nd sem)
Phys 118	EPHY 1700 (2 nd sem)
Csci 225	SENG 1210 (2 nd sem)
Math 252	MATH 1300 (3 rd sem)
Chem 121	CHEM 1520 (4 th sem)

The parenthetical reference (1st sem, etc.) following the TRU Course Equivalent indicates the semester in which TRU students are expected to take the course. TRU's program consists of 2 semesters per academic year: Fall (1st sem) and Winter (2nd sem). You will want to complete as many 1st and 2nd semester courses as you can prior to entering TRU.

Students at TRU must also take ENGR 1100 - Intro to Engineering and Design (1st sem) and EPHY 1990 - Intro to Engineering Measurements (2nd sem). CC does not have equivalents of these courses.
