Homestay Refunds

Monies paid to the College as homestay fees will be used to satisfy the contractual arrangement between the student and the homestay family before a refund is given to the student. If the student leaves a homestay arrangement and there are funds held by the College, they will be used to satisfy any outstanding amounts owing to the homestay family and the balance will be refunded to the student within 30 days after leaving homestay.

Overpayment

Payment of Continuing Student tuition fees will be accepted for the current or next subsequent term of study for up to five academic courses or a total of 17 credits (assuming two courses are worth four credits each) only. It is important for students to recognize that the College cannot provide services similar to a banking institution, and will accept deposits that are reasonably expected to be used for course registration or for monthly homestay payments (if a custodial student).

Indebtedness to the College

Any fees paid are applied firstly to the removal of any existing indebtedness to the College. No official transcripts, certificates, diplomas or Associate Degrees are issued to a student who are in debt to the College, nor is the student permitted to re-register until all debt is cleared.

Unclaimed Funds

Monies paid to the College as prepaid tuition fees (not including the 24 credit Tuition Deposit), or refunds owed due to, for example, an overpayment or withdrawal from courses, must be claimed from the College in a timely fashion. The College will make reasonable efforts to contact the student. However, upon receiving no response after two written attempts to contact the student, such monies will revert to the College 24 months after the student has left or withdrawn from the College.
