

2022-2023 Tuition Fee Calculator

Fee per credit:	\$570
Student Activity Fee ¹ :	\$35
guard.me charge:	\$190

INSTRUCTIONS:

1. Calculate how many credits you plan on registering in.

If you don't know how many credits each course is check "Course Offerings" under the Admin tab in your portal.

*Note that Math 110 costs the same as a 4 credit course, even though it is a 3-credit course.

2. Go to the correct row for your number of credits

3. Find the column that describes you

4. Add \$50 for each CSCI course you register in
