Principal's Welcome

Graduation is a time honoured tradition that recognizes the achievements of each year's graduation class at Columbia College .

You have been on an extraordinary journey at Columbia College where you have embraced new and unprecedented ways of learning, engaged with a diverse community of learners and teachers, and developed relationships you will cherish for a lifetime.

Every graduating class is unique, but we will never forget this graduating class. You will stand out for the way you were all able to adapt and pivot so quickly to finish your studies in a different learning format. You worked hard to get here and we are honoured to celebrate with you.

Our collective pride in all that you have achieved could not be stronger. Remember; there's no limit to what you can accomplish next.

On behalf of all of us at Columbia College, congratulations on this special achievement and may you look back on your years at Columbia College with tremendous pride.

Here's to the graduating class.
